

Mercedes-Benz Club of America  
Hudson-Mohawk Section  
18th Annual Car Show

July 10, 2010

Henry Hudson Riverfront Park  
Hudson, New York

***You must be an MBCA Member to Participate  
in the Car Judging Contests***

Our show will be in the Henry Hudson Riverfront Park overlooking the historic Athens light house. This year's theme is "On the River". In this wonderful setting Mercedes of all types and styles will be on display. Many of them will be vintage cars and others will be newer, demonstrating the latest and greatest of "Mercedes Technology".

**Keeler Motor Car, a supporter and friend of the Hudson-Mohawk Mercedes-Benz Club ("HUDMO"), will have one of their 2010 vehicles there for public inspection.**

There will be raffles, contests, entertainment, and a great car show. It will be an opportunity to renew your HUDMO acquaintances, make some new friends and show off your car. We will have a fun filled day as we watch the commercial and pleasure crafts on the river. Dash plaques will be issued for all vehicles entered in the show. The entry fee for HUDMO members is \$25.00.

There will be vehicles available to take members to the downtown art galleries, antique shops, and to the recently expanded Fireman's Museum.

Registration begins at 10:00 AM. Judging starts at noon. Henry Hudson Park is just off Front Street in Hudson, near the Amtrak station.
